No. 11407 C4/52 dated 20-8-1952.

Sir,

Sub: Inland Fisheries - Kodi fish farm - Planting of Coconut seedlings -

---

The Assistant Director of Fisheries, Mangalore has suggested that some cocoanut seedlings may be planted on the bunds of the nursery of the Kodi fish farm in the South Kanara District. They are available with the Superintendent, Agricultural Research Station, Nileshwar at about 8 annas each. The Assistant Director has suggested that 40 seedlings may be planted. The cost of the seedlings together with frequent watering would come to Rs. 25/-. Another sum of Rs. 160/- will have to be incurred as labour charges and for fencing the seedlings. The total cost would therefore amount to Rs. 185/-. I request therefore that Government may be pleased to sanction this expenditure as this is not an ordinary expenditure. The importance and the utility of this proposal need not be stressed. Some permanent revenue can also be expected when the trees begin to bear fruit. The expenditure is debitable to "43 Industries and Supplies e. Fisheries F. Inland Fisheries - General".
